## Beautiful BLONDES

---

This interactive, online class will provide artistic insight as well as critical theory behind the creation of beautiful EuforaColor Blondes. Stylists will:

- Learn how to customize formulations for the full spectrum of blonde creations
- Explore techniques for generating bright, bold blonde statements using EuforaColor
- Master the art of toning

*Eufora National Trainer, Joanne Rempel*

Joanne's career as a stylist began in 1979 and continued to grow as she discovered Eufora in 2007. As a 40-year veteran of the hair care industry and as the EuforaColor Development Manager, Joanne has a true industry expert's eye for color placement and styling. This educator has trained hundreds of stylists and Eufora Educators as a National Trainer and Academy Instructor through EuforaColor Training Camps, in-salon classes and Eufora Academy courses.
